Construction and Demolition Waste – impact, policies, and diversion

Soumya Parthasarathy
Master of Sustainability Solutions - 2017
EPA 2014 National waste data (in million tons)

- Municipal Solid Waste: 169 million tons
- Recycled and Composted: 89 million tons
- C&D debris: 534 million tons
DIVERSION

Community Engagement

SHINGLES
NO GARBAGE
What I learnt:

Data is important – “What is not measured, cannot be managed”
Please donate when you renovate

THANK YOU
